Docket No. 98-N-1265
Food and Drug Administration
5600 Fishers Lane Room 1061
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.
